## **E.U. REACH-233 Statement**

Re: Registration, Evaluation, Authorization and Restriction of Chemicals (REACH)

To: All Peter Paul Electronics Company, Inc. customers

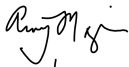

The Peter Paul Electronics Company is aware of the European Regulation (EC) No. 1907/2006 better known as REACH and the requirements to pre-register / register substances. To the best of our knowledge, none of the latest **233** substances or Annex XVII list as **updated by ECHA on January 17, 2023** are present in our products above the maximum allowable concentration.

Please refer to the following ECHA list for the most current candidate list of substances:  
<http://echa.europa>

These results are based on information provided by suppliers or producers of the raw material used in our products. Peter Paul provides such information "AS IS", without any express or implied warranty of any kind. Peter Paul reserves the right to update and modify this communication, as it believes necessary or appropriate.

If you have any questions or concerns about the REACH registration/legislation, please contact ECHA (European Chemicals Agency) at: <http://echa.europa.eu>
